

Dear Parents, Grandparents, and Guardians:

Every year Sunderland Elementary School participates in the Stop & Shop A+ School Rewards Program. Over the past three school years this program has helped Sunderland Elementary to raise more than \$3,000! All of this money directly benefits our children through PTO enrichment programs.

Please help us again this year! It's easy and it comes at no cost to you. Fill out the form below with the first three letters of your last name and your 13-digit Stop & Shop card number. Then return this sheet to the PTO via your child's classroom teacher.

New this year, once you register your card you will not need to do it again! Also, don't forget to encourage your friends and relatives to do the same. Please clearly fill in the required information:
