## ***What's new in the Cafeteria?!***

### February Already!

Online Pay has finally arrived all across the district! This is a huge and exciting step for our school district! Online pay allows parents to easily monitor their students lunch accounts! This will help us identify account errors much faster than in the past! It also makes paying for lunches so much more convenient! If you haven't registered your student's account you can do so at [K12paymentcenter.com](http://K12paymentcenter.com)!

New starting this month: Meet the Lunch Lady! This is a feature we will be doing every month! This allows you as parents to meet the amazing ladies that prepare your student's lunches everyday! This month we are featuring Kathy from Whately! She's an amazing cook! Kathy never fails to make delicious lunches and she is never short of smiles! We love Kathy!

Recipe Contest: Cooking with the Kiddos Recipe Contest! During the month of February our Food Service Director will be asking parents to submit their favorite recipe to cook with their kiddos, and a picture of everyone cooking together. A winner will be drawn for each of the elementary schools! If you win in your school your recipe will be featured on the menu! A district winner will be picked and have their photo and recipe in the March Cafeteria Corner! Email your recipes and pictures to [Mary.delusa@frsu38.org](mailto:Mary.delusa@frsu38.org). Please include your student's name and school!

If your family is experiencing a financial hardship we have applications available at all of our schools to apply for the Free & Reduced lunch program. You can apply at anytime during the school year!
