

January 2020 Newsletter

Hello OSTP families! I hope everyone had a fun and relaxing holiday and winter vacation. I cannot believe it is January already! A few upcoming dates to remember for January:

- Friday, January 17th- this is a half-day (noon dismissal). Registration forms have been handed out to every classroom. Please note you must register for this half day if your child/ren plans on attending. The due date for registration is January 13th.
- Monday, January 20th- No School
- Thursday, January 23- OSTP family night. Flyers are in parent mailboxes. Please RSVP by January 17th. The theme for the night is Winter Wonderland.

This month we will begin projects around a winter theme such as snowmen, “wintry” slime, bird feeders, and we will begin to prepare for our family night. We will continue with our vegetable tasting. If you look on the white board by the OSTP desk, I have posted all the vegetables we have tried so far. It has been fun seeing what the kids will try, and challenging them to try new things. We will continue to go outside and enjoy sledding and playing in the snow for as long as it lasts. Please make sure your child has the appropriate outdoor clothing. Weather permitting; we spend about 40-45 minutes outside every day.

You can reach me at melanie.burt@frsu38.org or the program number at 413-665-1408.

Thank you,

Melanie, Jeanie, Mary M., Cara, Mary G., Erik, Sienna and Roberta
