

# OSTP NEWS

The Sunderland Out-of-School Time Program is now operating out of the school cafeteria. Our wonderful staff are returning and are eager to get this school year started. When dropping off and picking up your child from OSTP, the procedure will be the same, buzz in, we'll let you in, **GO TO THE CAFETERIA**, sign your child in/out, and enjoy your day.

OSTP is currently looking for free/cheap used golf clubs. We will be using the clubs for an upcoming project, and we wanted to include the SES community in the search.

There is still room in Sunderland OSTP, either before school or after. We offer 5 day-a-week plans to 1 day-a-week plans. Don't think that you need to be enrolled to attend either. OSTP offers a Drop-In service, when things arise, and life happens. Just call OSTP at 413-665-9030, and let OSTP know that you need your child to attend. Please don't forget to include the day you wish your child to attend, AM or PM, and to let the office/teacher know. If you'd like to enroll your child in OSTP, please let OSTP know too. Registration forms are needed every year, and OSTP has many ready to go.

OSTP is a great program that offers a ton of fun, excitement, lasting relationships, and your kids will learn a great deal by getting their hands dirty building, painting, and playing.

OSTP is always looking for gifted, talented, hardworking staff. We offer 4 wonderful programs at the 4 elementary schools. If interested, please let OSTP know.

Enrichment activities are in the process of being put together. If you have a skill, talent and would love to teach it to children, and get paid? You could run an enrichment. Please let OSTP know if you are interested.

If you need to contact SES-OSTP
