## FEBRUARY 2020

---

Dear Families,

Happy February! We are already halfway through winter and Punxsutawney Phil predicted an early spring so let's hope he's right.

We are offering an exciting spring enrichment program for children in grades 3-6. Drama Club, taught by Caylin Haley, our own 5<sup>th</sup> grade paraprofessional, will run on Wednesdays from March 4<sup>th</sup> – April 29<sup>th</sup>. If your child likes to act, sing, or dance, Caylin will help them to become more confident and build their skills in public speaking, performing in front of crowds, leadership, and creative thinking. Registrations will go home soon.

The children have been making beautiful Valentine cards for veterans that live at the Soldiers' Home in Holyoke. The

Global Leaders will be delivering them soon.

Makayla and Norah working on their cards.

Due to the abundance of mud on the playground, please send your child with boots to prevent soaked feet and muddy shoes.

As always, please feel free to contact us with any questions, comments, or concerns.

Thank You,  
Dotty, Christine, Mary & Sarah
