

WE ARE PLANNING TO REOPEN OUR OUT-OF-SCHOOL TIME PROGRAMS THIS FALL FOR THE 2021-2022 ACADEMIC YEAR.

With the worst behind us, and brighter futures ahead, we are hopeful about the possibilities for Fall 2021. The Union #38 OSTP plans to reopen in the fall of 2021 with our Out of School Time Program as close to normal as possible. The Department of Early Education and Care, Department of Education, and the local Board of Health, has not yet released guidelines for the Fall of 2021. Our optimism about Fall 2021 stems from the progress being made in state and national vaccination efforts. We know that you may have questions about the fall, and we will provide more information as soon as we receive information from the state and local health agents. We will be starting our OSTP Fall 2021 enrollment based on this information. Registration forms are available on our website or at your child's school.

We are looking forward to having everyone back in our programs, and will continue to follow safety guidelines and monitor and adjust to the evolving public health conditions. These plans reflect our desire to keep our community safe while restoring our vibrant Out of School Time Programs to serve the hardworking families in our communities.

We can't wait to see you soon!
