

UNION 38 SCHOOLS: ROAD MAP TO KINDERGARTEN

WEDNESDAYS
MAY 5, 12 & 19
@ 7PM

VIRTUAL
WORKSHOPS
INCLUDE:

We recognize that this year has been so different for our rising kindergarteners. To help support families and children with this important transition, we have created a "road map" workshop series to provide a little extra guidance as we look forward to a brighter, 2021-2022 school year. Aimee Smith-Zeoli, U38 Early Childhood Director, will lead a 3-evening, virtual event to address transition highlights (meeting children where they are!) and to talk about resilience in our young learners.
