

Morning Drop off

When dropping off your child on school mornings, please drive around the parking lot and stop along the sidewalk outside the office windows. Stay in your vehicle, let your passenger exit safely to the sidewalk, and use caution when pulling away. If you plan to enter the building, park in the parking lot.

Afternoon Pick Up

For afternoon pickups, park in the lot and come to the duty teachers outside the front door. We do not want to release any students before knowing the person picking them up has arrived, and we do not want students running out into the parking lot when they see their parent or other person responsible for pickup that day.

Cars are not permitted in the bus circle. Please, do not park in the lane by the office windows, which is a marked fire lane. If you plan to come into the building, park in the lot.

It is unlawful to pass a transportation van or school bus when their lights are flashing and their stop sign is extended.

Motorists are reminded to use EXTREME caution while near the building and grounds because many children will be entering and leaving the area.
